

The Three Little Pigs Whose Perspective is Right?

Event	The Pigs' Perspective	The Wolf's Perspective
The wolf is chasing after the pigs		
The first house is made of straw		
The second house is made of sticks		
The third house is made of bricks		
The wolf is locked out of the brick house		
The pigs make a fire		
The wolf climbs up the chimney		
The wolf lands in a pot of boiling water		
The wolf runs away (Never to be seen again!)		

After analyzing the perspectives of both the pigs and the wolf, I think that the _____ is right!
